

EXHIBIT “K”

Powerful & Fast-Acting

100% Active Ingredients

DYNO-TAB®

Tablets for Fuel

The most economical and effective fuel treatment available.

What your car does not need:

- carrier fluid
- bottle
- label
- cap

What your car needs:

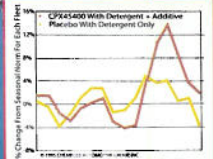

FES

Environmentally Smart!

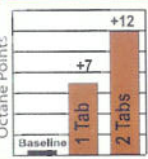

Typical bottled fuel additives contain only a small amount of active ingredients, dissolved in a solvent-like carrier fluid. Dyno-Tab® contains 100% active ingredients that deliver all the benefits of a liquid product without the bottle, solvent and waste.

Designed To Optimize Your Vehicle's Performance

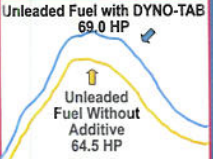

Better Mileage*

Increased Octane*

More Power & Performance*

* Results may vary. For more details, please visit dynotab.com.

Pull to open where indicated on front of package.

Squeeze top of the card to form a funnel.

Insert funnel into fuel tank opening and push tablet out.

Let the tablet slide down the funnel into the tank.

Add one Dyno-tab® to fuel tank at every fill-up.

KEEP OUT OF REACH OF CHILDREN

WARNING: FLAMMABLE. Keep away from heat, flame and sparks. **HARMFUL IF SWALLOWED.** If swallowed, drink 1 to 2 cups of water or milk and call physician immediately. Do not induce vomiting.
